with Pastor Tara Beth Leach - The Church on Mission Is a Place of Healing

### Wired For Mission

The missional identity of the people of God has been a common thread and theme through the rolling narrative of the Bible. The early church did not exist simply for itself, but for the world. It was a living example and a living testimony of the work God had done in King Jesus; it was a messianic and Spirit-empowered community who lived into the Jesus mission to the ends of the earth.

You are called and empowered to participate in God's mission in this world. God redeems you from slavery, brokenness, and idolatry, and then empowers you to live in this freedom visibly before the nations and before the world.

**This mission before you is boundless. Mission is who the Church is. It's who the Church has always been. You are wired for this.**

### Sermon Text

Acts 5:12-16

The apostles performed many signs and wonders among the people. And all the believers used to meet together in Solomon's Colonnade. No one else dared join them, even though they were highly regarded by the people. Nevertheless, more and more men and women believed in the Lord and were added to their number. As a result, people brought the sick into the streets and laid them on beds and mats so that at least Peter's shadow might fall on some of them as he passed by. Crowds gathered also from the towns around Jerusalem, bringing their sick and those tormented by impure spirits, and all of them were healed.
