ABOUT THE SERMON SERIES

Exodus tells the story of a people, God's people, and their deliverance from the empire of Pharaoh's Egypt. Set apart to be shaped into a missional community; God shows up for God's people in many forms, in smoke and fire, in water and rock. The elements on the platform are reminders that the God who frees is freeing still, that God leads God's people in new ways and covenants with them anew.

Welcome to PazNaz

If you are our guest today, you will find a **Connect Card** in the pew rack in front of you. Please take a moment to fill it out and place it in the offering plate or hand it to a pastor. After the service our pastors will be on the patio in front of the Welcome Center and would love to meet you.
